

SCHOLASTIC YEAR AT THE CATHOLIC UNIVERSITY BEGUN

Cardinal to Administer Oath
to New Professors Next
Sunday.

The Catholic University of America began its twenty-third scholastic year today without formal exercises. The first assembly of students will take place next Sunday, when the mass of the Holy Ghost will be solemnized. At that time it is hoped to have Cardinal Gibbons present to administer the oath to the new professors, but this has not yet been arranged, definitely.

During the summer vacation many appointments have been made on the faculty. They are: Amzi Brown, of Harvard, who will become professor of common law; Dr. Wilbur F. Dales, who took his degree at the Catholic University, and who will join the Greek department; Charles Lawler Kelly, of Little Rock, Ark., who will teach chemistry; John James Castwell, of this city, who will teach drawing and drafting; the Rev. Joseph P. Munday, of Alton, Ill., who will teach theology; John J. Haley, of Tufts College, who will teach civil engineering; Vincent Toomey, of this city, and Dr. Thomas C. Carrington, of Worcester, Mass., who have been added to the law faculty; the Rev. P. J. McCormick, added to the department of education; John B. Parker, of Kansas, professor of biology; Frederick V. Murphy, of L'Ecole des Beaux Arts, Paris, of architecture; James Francis Connor, of the Boys' Latin School, Baltimore, mathematics; and Frederick K. Merriman, of the civil engineering department.

No successor has yet been appointed to take the place of the Rev. Charles Patrick Grannan, who has, since the inception of the theological department, held the Margaret Hughes Kelly chair of sacred Scriptures. An appointment may not be made to this position for some months, it was said today.

The Rev. Franz Cohn, of Wielen, Westphalia, Germany, has been named to take the place of the Rev. Joseph Poole, who resigned last year and returned to Holland, his native country. Another appointment made during the summer was that of Dr. Paul Gies, who came from the University of Bonn to fill the chair of Germanic language and literature.

Percival H. Marshall Begins His New Duties

Percival H. Marshall, who was appointed by the Commissioners to succeed Andrew B. Duvall as assistant corporation counsel, began his new duties today.

Mr. Marshall was born in Philadelphia, and has lived in Washington since he was six years old. He was educated in the public schools and was graduated from the law school of Georgetown University in 1886. At that time he was only twenty years old, he was compelled to wait until the following year to take the bar examination.

The appointment of Mr. Marshall came to him entirely unlooked for, and was recommended by Corporation Counsel Thomas. Mr. Duvall resigned in order to devote his entire time to his private practice.

Lesson to Motorman For Speeding on Car

The campaign of the police against speeders applies to street car motormen as well as automobile drivers and motorcycle riders, as Alonzo Bryant learned in the United States branch of Police Court yesterday.

Bryant was fined \$5 for driving a car on the Chevy Chase line in excess of the twenty-mile speed limit permitted in the suburbs. A bicycle policeman trailed Bryant's car, and found Bryant was sending it along at thirty-five miles an hour.

"We want to stop this speeding before some accident happens," said Assistant United States Attorney Given. "I'll be satisfied with a \$5 fine in this case. But if motormen do not heed the law I shall ask for penalties of increasing severity."

Only One Rescued.

KEEPS HER THREAT TO LEAVE HOME IF BROTHER MARRIED

Police Asked to Aid in
Search for Miss Nellie
A. Dosh.

Carrying out an intention, formed several months ago, when she learned of her brother's engagement, that she would leave home when he married, Miss Nellie A. Dosh, aged nineteen years, and pretty, has disappeared. Nothing has been heard from the girl since she left her home, 1414 First Street, east, last Friday, and Mrs. Annie Dosh has finally appealed to the police to find her daughter.

Mrs. Dosh is a widow, and she and her daughter lived with her son, Walter B. Dosh, an employee of the Adams Express Company. Some time ago young Dosh let it be known he was contemplating matrimony.

"When you get married and bring a bride home," Miss Dosh is quoted as saying to her brother, "I'm going to leave."

A week ago last Saturday Dosh was married at Clarendon, Va., to Miss Sarah Wetzel, of this city. Miss Dosh attended the wedding, but the wedding feast was far from a happy ceremony.

for her. When she returned home and made her plans to go elsewhere, Friday afternoon she went out, ostensibly to take a walk. When she failed to return for dinner, Mrs. Dosh recalled the threat her daughter had made to leave home when her brother married. Relatives in Virginia were communicated with in the belief that the girl had gone to visit them, but they had seen nothing of her.

Mrs. Dosh, last night, had the police send out an alarm for her daughter. She said she thought it probable the girl had left the city.

Miss Dosh is described as an attractive brunette, with black hair and eyes and dark complexion. When she left home she was dressed in a white suit, white hat, and white shoes.

**Permitted to Appeal
Johnson Murder Case**

Attorney Thomas M. Baker has obtained permission from the Court of Appeals, of the District, to prosecute an appeal of the case of Arthur Johnson, colored, condemned to die, November 20, without cost, and today filed a transcript of the record in the trial.

The principal contention in behalf of the condemned man is that he did not have the indictment read to him, but was asked by the clerk if he waived its reading. It is claimed by Attorney Baker that this is the first instance where an indictment has not been read to the defendant in a murder case.

Johnson was convicted of the murder of John Ofsensten.

AND THE "NEW THOUGHT" CHORUS OF LOVELINESS

Baby's Voice

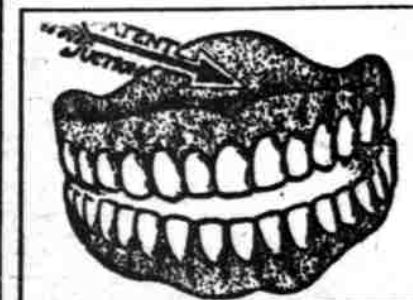

Every woman's heart responds to the charm and sweetness of a baby's voice, because nature intended her for motherhood. But even the loving nature of a mother shrinks from the ordeal because such a time is regarded as a period of suffering and danger. Women who use Mother's Friend are saved much discomfort and suffering, and their systems, being thoroughly prepared by this great remedy, are in a healthy condition to meet the time with the least possible suffering and danger. Mother's Friend is recommended only for the relief and comfort of expectant mothers; it is in no sense a remedy for various ills, but its many years of success, and the thousands of endorsements received from women who have used it are a guarantee of the benefit to be derived from its use. This remedy does not accomplish wonders but simply assists nature to perfect its work.

Mother's Friend allays nausea, and prevents sickening of the breasts. Mother's Friend is sold at drug stores. Write for free book. **BRADFIELD REGULATOR CO., Atlanta, Ga.**
